

# MESSAGE FROM FARNDON PARISH COUNCIL TO ALLOTMENT HOLDERS

## Covid 19 Emergency Measures

The government is presently advising the population to stay at home and practice social distancing, whilst being allowed to take one form of exercise a day. **We think that now is the time to consider working your plot in isolation i.e. not with household members and if you can stay away for a few weeks to do so.**

**It is vitally important that you follow all the advice about social distancing and hygiene in the points below and not gather together.**

Any plot-holder who is self-isolating because a household member is ill with corona-virus should not be visiting the site.

Allotment holders should take the following precautionary measures:

- Keep hand sanitiser in your shed and wash your hands regularly
- Use hand sanitiser before opening and after closing any gate locks
- Wash hands when you get home
- DO NOT gather together for a chat even if you are 2 metres apart
- Observe "Social Distancing" with each other 2-3 metres apart
- If you take your children to the plot, ensure that they stay within its confines and do not run around on communal paths and spaces.
- Do not share tools
- Minimise the contact with each other for example no handshakes
- Do not wash your hands in water troughs
- It is important that anyone attending the allotment takes care to stay the appropriate distance from others, avoid body contact and wash hands at taps, do not wash hands or use detergents in any water tanks
- No un authorised people allowed onto the plots for the duration of this emergency
